TO OUR NEW PATIENTS:

Welcome to the Oregon Ear Nose & Throat Center.

Please complete the enclosed Patient Information and Health History forms. If your appointment is less than one week away, please bring the forms with you and plan on arriving 15 minutes prior to the appointment time on your card. If your appointment is a week or more away, please return the forms in the enclosed pink envelope.

We participate with most insurance plans. Your visit may require procedures or tests that may fall under your deductible. It is your responsibility to determine your particular benefit package as well as verify our participation with your individual plan. Patients with a managed care insurance plan must have a referral. Please call your primary care physician to be sure the referral has been processed.

Payment of your portion of the bill (co-pays and deductible amounts) is due at the time services are rendered.

If you wear dentures, you may be asked to remove them during the appointment.

Is this visit related to a work injury, motor vehicle accident or personal injury?
